

For International Students and Foreign Nationals
Aiming for Careers in Tokyo's Tourism Industry

Workplace Tour & Networking Event

Experience Japanese Jobs Firsthand!
Picture Your Future Career.

We are holding a workplace tour and networking event for international students and foreign nationals looking to work in Tokyo's tourism industry. By listening to company presentations, touring actual work sites and back offices, and interacting with foreign employees, you can get a clear picture of what it is like to work here. Please feel free to apply!

Program

Company Overview, Workplace Tour, and Networking Event

Company
1

**Tokyo Bay Ariake
Washington Hotel**
(FUJITA KANKO INC.)

Operating 34 hotels in Japan and abroad, WHG Hotels is a favorite among domestic and international guests visiting for business or leisure due to prime access to major venues such as Tokyo Big Sight. To enhance inbound hospitality and ensure a comfortable stay, many international staff members who can serve guests in multiple languages and navigate diverse cultures are actively contributing across the group.

Company
2

FUFU Tokyo Ginza
(Kato Pleasure Group Co., Ltd.)

Expanding the SMALL LUXURY RESORT brand "FUFU" nationwide, the group captivates domestic and international guests in Ginza with a space where urban life, nature, and tradition blend in harmony. To meet increasingly diverse guest needs, the company actively hires foreign nationals and fosters an inclusive environment where employees of all backgrounds can work with confidence.
