

For International Students and Foreign Nationals
Aiming for Careers in Tokyo's Tourism Industry

Workplace Tour & Networking Event

Experience Japanese Jobs Firsthand!
Picture Your Future Career.

We are holding a workplace tour and networking event for international students and foreign nationals looking to work in Tokyo's tourism industry. By listening to company presentations, touring actual work sites and back offices, and interacting with foreign employees, you can get a clear picture of what it is like to work here. Please feel free to apply!

Program Company Overview, Workplace Tour, and Networking Event

Company

**Hyatt House
Tokyo Shibuya**

A Hyatt hotel built around the concept of "staying like a local," offering comfortable accommodations for stays ranging from one night to several months. Located in Shibuya, Tokyo - a popular destination for international travelers - the hotel is also home to a diverse team of international staff who use their language skills to create a warm and welcoming experience for guests from around the world.

Company

WDI JAPAN Co., Ltd.

A restaurant enterprise expanding restaurant brands both domestically and internationally. It is widely supported by customers for providing experiences of world food cultures. With many international staff making vital contributions, the company actively recruits talent who wish to excel in Japan, driving its global expansion and inbound hospitality efforts.
